

Savvius Omnippeek Free Upgrade Program

Upgrade your Savvius Omnippeek licenses to the latest version.

**Upgrade to the latest version of Omnippeek at no charge. How?
Learn about the new features in Omnippeek 12 in a web meeting.**

We know you'll want the latest Savvius Omnippeek® for network troubleshooting and performance diagnostics. Since you are already a customer and loyal Omnippeek user, we want to make it easy for you to upgrade your old license to the most current version.

If you have expired Omnippeek / Etherpeek / Aeropeek licenses, you will:

- Get Omnippeek 12, the latest version
- Learn about the latest Omnippeek features and functionality
- Avoid lapsed maintenance fees
- Avoid software update fees

Limited to three licenses.
