

Competitive Trade In for New Omniplance Ultra

LIMITED TIME OFFER. EXPIRES DECEMBER 31, 2018

Save time and money while improving network performance.

Trade in your Riverbed, Viavi, Netscout, or Corvil. Trade up to Omniplance.

When you need network visibility that gives you actionable data, you want the power delivered by Omniplance Ultra to effectively monitor and troubleshoot your network environment. Instead of renewing an expensive maintenance contract on an older network appliance, trade it in for an Omniplance Ultra.

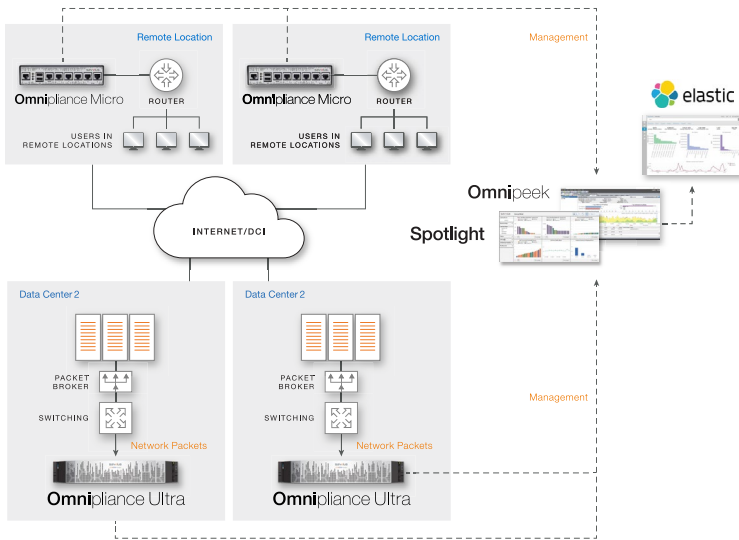

The Offer:

Trade in one of the below network management appliances and receive a trade-in credit

	Competitive Products	Starting Trade-In Value
Class 3	Starting Trade-In Value	\$10,000
	Viavi: Gigastor 3	
	NetScout: Ex. InfiniStream NG 97-9800	
	Corvil: Example 6400 - 6450	
Class 2	RiverBed: Example NetShark 04170	\$5,000
	Viavi: Gigastor 2U	
	Netscout: Ex. InfiniStream NG 47-4800	
Class 1	RiverBed: Example NetShark 02170	\$2,500
	Viavi: Gigastor 1U	
	Netscout: ex. InfiniStream NG 26-6600	

Omniplance Ultra Provides:

- Real-time visibility into every interaction on the network at up to 20Gbps
- The ability to see issues of network and application latency, communications quality, and capacity
- Network traffic monitoring and packet data capture at the same time and same rate
- Proven workflows and analytics for network performance issues
- Customizable dashboards that allow you to view the conversation data and analysis that's most important to you, whether by application, analytic, or network segment

For details on this limited promotion, contact your local Savvius reseller today at www.savvius.com/find-a-reseller
